

Emerson House Portland Family Support Group

Education Resources Support

Please join us for our next meeting on the rescheduled date:

Wednesday, April 12th 2017
6-7:15pm in the Conference Room
“Making the Most of Your Visit”

Spending time with your loved one isn't as simple as it used to be. We recognize the “new normal” can be an adjustment. Join our group to learn ways of making the most of the moment, fun activities to do, and effective visiting strategies. Time for questions and open sharing is always provided.

We look forward to seeing you there!

Snacks and refreshments will be provided.

Please contact Lindsey Bretzman, Life Enrichment Director at Emerson House, with any questions. LBretzman@northstarsl.com or call 503/234- 8585
